

IRSPM Conference 2023

3-5 April 2023 Budapest, Hungary

Call for abstracts: Conference of The International Research Society for Public Management at Corvinus University of Budapest (3 - 5 April 2023)

We are happy to announce that six years after its successful 2017 edition, the IRSPM international conference will again be hosted by Corvinus University of Budapest on 3 – 5 April 2023.

The [call for paper abstracts](#) is open until **Tuesday, 1 November 2022** (midnight, CET).

The conference theme is: **United or divided? Public value(s), Management and Governance in turbulent times**. The conference will feature a wide range of new as well as more established panels that connect this theme to particular issues of importance to the public management and public administration research communities.

Please consult [the panel descriptions](#) and [authors guidelines](#) before submitting your abstract to a particular panel.

In order to submit an abstract please visit <https://irspm2023.exordo.com/> create your login account and follow the instructions.

We look forward to seeing you at Corvinus in April 2023!
